## PROJECTS

---

Total Tech Blog (HTML, Bootstrap, CSS, javascript, MySQL, Sequelize, NodeJs): Allows users to register and view and comment on other people's blog posts. The user can also make their own blog posts. <https://total-tech-blog.herokuapp.com/>  
<https://github.com/HeavensRegent/nb-w14-homework>

Project 1 Big Brain Trivia (HTML, Bootstrap, CSS, Javascript, jQuery): A trivia game where the user can select the quiz criteria. They start the quiz, when they answer wrong they are complimented, when they get it wrong they are very heavily insulted. Uses APIs. <https://heavensregent.github.io/project1/>
